Context & Basis in Fundamental Doctrines:

(This is a verified plain statement of natural fact)

All men and women know that the foundation of law and commerce exists in the telling of the truth, the whole truth, and nothing but the truth.

Truth, as a valid statement of reality, is sovereign in commerce.

An unrebutted affidavit stands as truth in commerce.

An unrebutted affidavit is acted upon as the judgment in commerce.

Guaranteed—All men shall have a remedy by the due course of law. If a remedy does not exist, or if the existing remedy has been subverted, then one may create a remedy for themselves – and endow it with credibility by expressing it in their affidavit.

(Ignorance of the law might be an excuse, but it is not a valid reason for the commission of a crime when the law is easily and readily available to anyone making a reasonable effort to study the law.)

All corporate government is based upon Commercial Affidavits, Commercial Contracts, Commercial Liens and Commercial Distresses. Hence, governments cannot exercise the power to expunge commercial processes.

The Legitimate Political Power of a corporate entity is absolutely dependent upon its possession of Commercial Bonds against Public Hazard.

No Bond means no responsibility, means no power of Official signature, means no real corporate political power, and means no privilege to operate statutes as the corporate vehicle.

The Corporate Legal Power is secondary to Commercial Guarantors. Case law is not a responsible substitute for a Bond.

Municipal corporations, which include cities, counties, states and national governments, have no commercial reality without bonding of the entity, its vehicle (statutes), and its effects (the execution of its rulings).

In commerce, it is a felony for the Officer of a Political/Public Office to not receive and report a Claim to its Bonding Company -- and it is a felony for the agent of a Bonding Company to not pay the Claim.

If a Bonding Company does not get a malfeasant public official prosecuted for criminal malpractice within sixty (60) days, then it must pay the full face value of a defaulted Lien process (at 90 days.)

Except for a Jury, it is also a fatal offense for any person, even a Judge, to impair or to expunge, without a Counter-Affidavit, any Affidavit or any commercial process based upon an Affidavit.

Judicial non-jury commercial judgments and orders originate from a limited liability entity called a municipal corporation – hence must be reinforced by a Commercial Affidavit and a Commercial Liability Bond.

A foreclosure by a summary judgment (non-jury) without a commercial bond is a violation of commercial law.

Governments cannot make unbonded rulings or statutes which control commerce, free-enterprise citizens, or sole proprietorships without suspending commerce by a general declaration of martial law.

It is tax fraud to use Courts to settle a dispute/controversy which could be settled peacefully, outside of or without the Court.

An official (officer of the court, policeman, etc.) must demonstrate that he/she is individually bonded in order to use a summary process.

An official who impairs, debauches, voids or abridges an obligation of contract, or the effect of a commercial lien without proper cause, becomes a lien debtor -- and his/her property becomes forfeited as the pledge to secure the lien. Pound breach (breach of impoundment) and rescue is a felony.

It is against the law for a Judge to summarily remove, dismiss, dissolve or diminish a Commercial Lien. Only the Lien Claimant or a Jury can dissolve a commercial lien.

Notice to agent is notice to principal; notice to principal is notice to agent.

PUBLIC HAZARD BONDING OF CORPORATE AGENTS: All officials are required by federal, state, and municipal law to provide the name, address and telephone number of their public hazard and malpractice bonding company, the policy number of the bond, and, if required, a copy of the policy describing the bonding coverage of their specific job performance.

Failure to provide this information constitutes corporate and limited liability insurance fraud (e.g. 15 USC), and is prim-a-facie evidence and grounds to impose a lien upon the official, personally, to secure their public oath and service of office.

Allegations & Proof by Force of Law:

By force of international Admiralty and Common Law, the following Allegations are AFFIRMED and thus Proven, in the event of Failure / Refusal of Response by a personally signed and certified written Answer to each and every point, demonstrating specifically described and verifiable facts to the contrary. Such proper Answer must be given to the Affiants of this Affidavit within 15 calendar days, or else the following Allegations are PROVEN and resulting Obligations immediately enforceable:

1. The amount of gold under contract to the Federal Reserve system is 2,420,937,400 kilograms.
2. The lease payments on this gold is payable at the rate of 4% per annum. The total owed, starting in 1961 through 2012, is 4,638,791,996 kilograms of pure gold.
3. Proof of the Federal Reserve Obligation is in the form of Federal Reserve Bonds, series of 1928 and series of 1934.
4. Proof of the interest obligation is further demonstrated by the issue of international currencies that have been issued to the Holders of the Gold Accounts, but against the Federal Reserve Bonds.
5. The gold was acquired through a time when gold coin and gold bullion could not be privately owned, and had to be surrendered to the State.
6. The World States combined the bullion into a single, central deposit, whereby all countries would have equitable access.
7. The gold is actually owned by Governments, through their Ministry of Finance.
8. In 1948, under UN Resolution MISA 81704, Operation Heavy Freedom, President Soekarno was appointed as M1, (Monetary Controller), and the entire centralized system was put under his disposal as Trustee.

9. The bullion is deposited into the system by a group of Trustees appointed by Soekarno. These Trustees formed an association of Trustees now known as the Amanah, otherwise known as the Mandates.
 10. The Mandates have assigned their authority over the accounts to Neil F. Keenan and Keith F. Scott.
 11. The owners of the gold and other assets leased to the Federal Reserve system between 1928 and 1968, at a 4% per annum rental fee, have never received substantive payment since 1928 until today. They have been constantly tricked and deceived.
 12. All persons from several organizations of persons who consider themselves to be the global elite have illegally used these assets making fortunes for themselves or otherwise benefitting from the illegal use of these accounts.
 13. The Federal Reserve System is a privately owned banking system. All debts of that private banking system, beyond the value held in gold, is the obligation of the Federal Reserve System only -- and is not a debt obligation of the people of the United States of America.
 14. The Bank of England / City of London / House of Rothschild are the primary owners and controllers of the Federal Reserve System and the European Central Bank.
 15. The New York Federal Reserve, for all practical purposes, is the lynch-pin by which the Bank of England, together with its partners -- the Rothschild Banks of London and Berlin; Lazard Brothers Banks of Paris; Israel Moses Seif Banks of Italy; Warburg Bank of Hamburg and Amsterdam; Kuhn, Loeb Bank of New York; Chase Manhattan; and Goldman, Sachs of New York -- provides an international mechanism by which the international bankers execute their plans of Global Domination, part of which is through the European Central Bank.
 16. The Owners, Shareholders, Directors/Executive Officers and Bonding Companies of the European Central Bank, and all said Lien Debtors, are deemed to be lien debtors -- collectively and severally.
 17. The European Central Bank, on behalf of all Lien Debtors, has caused to be printed and issued Bank Notes and Bonds, which were given as evidence of the debt obligations of the European Central Bank as lease payments for Gold.
- Said Notes and Bonds were accepted by the Lien Claimant in good faith, to be returned to European Central Bank for settlement and closure.

18. The European Central Bank and all Lien Debtors mentioned herein have all, collectively and severally, acted in bad faith continuously -- and have failed to redeem for value any of these Euro Notes and or Euro Bonds that are due and payable in substance on presentment.

19. The Lien Claimant requires without prejudice to further claims, to return for immediate settlement and closure, the amount of Five Trillion Euro (\$5,000,000,000,000), to be paid in substantive value collectively and or severally by the Lien Debtors.
